THE SENTINEL.

JOSIAH TURNER, Jr., EDITOR.

SATURDAY, AUGUST 13, 1870.

THE GENERAL ASSEMBLY.

The next General Assembly will have a Herculean task to perform. The members thereof should therefore calmly and carefully investigate, while they are at home, what they have to do, that is, what is necessary to be done to put the ship of State in the best possible trim for her next two year's voyage.

We propose briefly to note some things which ought to be done, and in the best and wisest manner:

1. The Augean stable must be cleansed. Never was one more filthy or demanded a more thorough cleansing and purification. An intelligent committee of five working men each, ought to be appointed with plenary powers to examine into the management of each of the State Departments, to investigate the capacity of each incumbent and his integrity in its management, the amount of clerical force employed and the expenses of each office, with a recommendation of what is necessary for each office, all with the view of reducing the expenses of each Department to a living standard.—We are too poor and too much in debt, to allow a dollar to be spent needlessly and improperly.

2. An able committee of five, seven or nine, perhaps nine would be better in order to provide three sub committees of three each to divide the work, with plenary powers, to investigate and ascertain the frauds and mismanagement of the N. C bonds, also of the Railroads, Penitentiary matters, &c. to ascertain if possible what has become of the $28,000,000 of bonds, who had them, what was done with them and what amount the State and Railroads have received for them, and what is the actual just indebtedness of the State and what shall be done, to re-establish the credit of the State.

3. The Committee on Education or Public Instruction should have full powers to investigate all matters pertaining to this subject.

4. The revisal of the Code should be put in proper hands at once, with instructions.

5. The present plan of registration and voting should be revised and reformed so as to make it less expensive and to prevent more effectually fraudulent voting. Every precinct that gives 500 votes, should have a distinct voting place, with suitable poll-keepers and challengers and registers, all the registering and voting to be done on one and the same day. This would require less time, less expense and be more effective. The registers should be required to swear every person proposing to register, whether or not they are citizens of the United States, have been domiciled in the State twelve months and the county 30 days immediately preceding the election, and to support the Constitutions of the State and of the United States.

Besides, these important matters, there will be other special as well as a large amount of general legislation required.—This will demand unusual working energy, a close attention to business, and above all full and free consultation and co-operation. The force and efficiency of the Democratic Conservatives would be seriously lessened by divisions or differences of opinion.—They should, therefore, at the outset, determine upon the most confidential consultation and thorough agreement in all that is done. Let the highest good of the State and the people be their constant aim, and all will be well.

JUDGE PEARSON'S INSURGENTS.

Judge Pearson in his second or third opinion in the Habeas corpus cases from Alamance and Caswell, said, no citizen of Caswell could serve a writ of *habeas corpus* because they were all *insurgents*. Well, does not this create a dilemma? A negro now lies in jail in Alamance under sentence of death to be hanged a few days hence, for an aggravated rape. If all the citizens of Alamance are insurgents, and no insurgent can execute a writ of *habeas corpus*, can the Sheriff or or any other officer of the county hang the negro? Or is he to go free? Or is Lynch law to come in and supply the deficiency and to be justified as "extra-Constitutional?" Or shall we say, as to this point of the Judge's decision, *Reductio ad absurdum*, and let the Sheriff hang the negro as if no new doctrine had been set forth?

We should really like to know what the Judge's opinion is in regard to the case alluded to.

A WORD TO KIRK'S "PRISONERS."

We appeal to each person arrested by Kirk's men, while every fact is fresh in their memories, as soon as possible, to set down and prepare a carefully written and truthful statement of the time and manner of the arrest, and of the treatment received from Kirk or any of his officers and men during their arrest, make affidavit to the same and forward it to us, preserving a copy of it. This statement from each one, is essentially necessary to a complete history of the most wicked, diabolical and inhuman outrage ever committed upon an innocent people. Let the true history of Holden, Pool, Settle, Abbott, Kirk and others in this matter be written for the eyes of the world, and in the language of the black Senator of Caswell, Wilson Carey, let it "go down to the archives of gravity."

Ridgeway was the scene of a big Sunday School celebration last Thursday. All the Schools of that section participated.

FROM FANCEYVILLE.

We are without positive information of any kind to-day from Kirk's dominions, either in Alamance or Caswell. It is said that a number of "Kirk's prisoners" are at large on parole, others are being sent to Gov. Holden and discharged. The parties who have been illegally arrested, ought to be careful, not to accept any thing but a legal release under the writ of *habeas corpus*. This release we are assured will be effected through the agency of Judge Brooks during the next week.

The general impression appears to be that President Grant has not sustained Holden in his refusal to submit to the writs of *habeas corpus*.

As soon as the parties arrested are released they ought to sue out writs against Holden, Kirk and all concerned, for their false and wicked arrest. We have said that nothing affecting the characters of the respectable Democratic Conservative citizens of Alamance and Caswell, touching the alledged Ku Klux crimes, will be discovered, by the nefarious, demoniacal scheme, of Holden, Pool, Settle and their co-adjutors, and we repeat it. We believe that all perpetrators of crime should be arrested, legally tried and punished, but lawless and partizan schemes like Holden's, to intimidate, to force evidence by torture or fear, and to subject innocent men to such treatment as Holden-Kirk's men have inflicted upon the good people of Alamance and Caswell, deserves the severest punishment and the condemnation of all good men.

P. S. Since the above was in type, we learn from a reliable source, that the parties arrested by Gov. Holden's order will be surrendered on Thursday next at Salisbury, in obedience to the writs of *habeas corpus* issued by Judge Brooks!

THE CARPET BAGGERS.

One of the most gratifying results of the late election, is the palpable condemnation by the people of the pestiferous nuisances which have so cursed the State, the *carpet baggers*. As far as we can learn only two of them have been elected to both Houses.

The present bad condition of the State is chiefly owing to the rampant Radicalism trickery and management of the carpet baggers. It was through their manipulations that the present Constitution, wholly unsuited to our condition, population and wants, was foisted upon us. To their trickery and propensity for robbing, may be charged chiefly the expensiveness of the State government, the Penitentiary, Railroad and Treasury swindles and whatever ill feeling may exist between the whites and blacks. They have bankrupted the State aided by dishonest scalawags, and like rats from a sinking ship are now deserting her. Littlefield and Laflin and others are gone, we hope never to return and the rest will either follow or sink down among the riff raff of society.

Remember, we call no one a carpet bagger, nor do we treat any as such, who come among us from the North or elsewhere, to make permanent citizens and who design to follow useful occupations. Political carpet-baggers we have no use for and the people will put their mark upon every one of them. But we hail gladly all men who come among us to seek their fortunes in honorable occupations and who are willing to leave the government of the State to our native population.

Littlefield, the arch-swindler, it appears presided at the National Union League some days ago at Long Branch. He hailed from Florida, and claimed the special attention of the League to the political condition of that State. He has left North Carolina we hope for the good of the State, yet we presume that his presence will be needed in the investigations yet to be had of the swindles of the Ring. Gen Zeb French, the "big Injun" of Wilmington and Adjutant General Fisher from Bladen, are the only carpet baggers that we can call to mind, who have been elected, unless Gen. Martindale has beaten Maj. Latham in the Pigmouth District. This of itself, amply repays for the labor of the canvass.

HON. J. M. LEACH.

We are authorized by Hon. J. M. Leach to say that the statement which appeared in the Raleigh *Standard* some time before the election, to the effect that he had joined the Ku Klux, in Alamance, *is false in every particular*. Gen. Leach, on hearing this report during the canvass sent a message to his friend, Capt. Robbins, Senator elect from Davidson, authorizing him to contradict the falsehood, through the SENTINEL, which was done, but we mislaid the communication and overlooked it, until again reminded of it.

Gen. Leach further authorizes us to say that he is not a member of any secret political society or organization, whatever.

This report circulated by the *Standard* is only one of the thousand falsehoods put forth by that paper during the canvass, as part and parcel of the conspiracy of Holden, Pool, Settle & Co., to carry the election by Ku Klux scare-crows and military intimidation, but as Gen. Leach has, by his energy and talent not only overcome a majority of some 3600 against him in the outset, but carried his district by nearly or quite 1300 votes, he can afford to treat his enemies, including the *Standard*, Henderson Adams and Woody Dilly with silent pity and contempt.

FRENCH LEAVE.—We are informed, that Col. Cooke, of Maine, late of Johnston county, who commanded a negro regiment in the Federal army during the late war, and since the war has been playing at the game of politics in North Carolina, since his defeat in Johnston for the Senate, came to Raleigh, sold his horse and buggy and has gone back to Maine, there to remain it is hoped. It is hoped that Sinclair, Hayes, Foster, Stevens, Seymour and all such, will follow suit. The sooner they get to their own place the better. There is no room for such men in North Carolina.

Warrenton had a jubilee last Saturday evening when the news of the Conservative victory was received.

JUDGE TOURGEE'S LETTER.

The New York *Tribune* published some days ago a long letter from Tourgee, in which he made sundry characteristic statements. Below we publish his second letter from the *Tribune*, correcting some of those statements. The reader will note our comments *seriatem*, below.

THE KU KLUX IN NORTH CAROLINA.

To the Editor of the Tribune.

SIR: In your *Daily* received to day, I find a copy of a letter by me to Gen. Abbott, U. S. Senator from this State. I have not the published copy before me, but notice in its hasty perusal the following errors, probably made either in transcribing or in "setting up:" 1st. Instead of "14 arsons," I wrote "4 arsons." 2d. Instead of "Four thousand or 5,000 houses opened," &c, I wrote "*Four hundred or* 500." This would be evident from my aggregate statement of crimes which I believe to have been committed by the Ku Klux in the district, to wit, *one thousand*. This is my estimate, including, of course, all violations of the domicil. I have frequently stated it and still believe it. My estimate of these is made from conversation with citizens in different counties, and from the number of complaints made by parties wronged. (1)

I think, also, that in my letter I state that there had been "13 murders in the district." It should be "in the State," as I include Jones County, which is not in my district. I had just received a letter from a citizen of Caswell County, in relation to Stephens's murder, and stating that two colored men had also been killed during the same week, and describing with particularity the hanging of one in his own vicinity. The day before I was applied to by a colored man with a lacerated back, who said that he had come from Chatham, and that two nights before he had been whipped and one of his neighbors killed by the Ku Klux. As I have heard nothing further of these acts, I suppose the parties must have been mistaken. At that time I supposed them to be correct. (2)

I see that the account given of Mr. Stephens's death is also incorrect. This, as is there stated, is the result of the circumstances not being fully known here at that time. As I would not appear to add one iota to the crimes of this bloody and terrible Klan, I desire that this statement may be published co-extensively with my letter. I have never had any idea that the members of this organization could be brought to justice by the ordinary machinery of justice here, and have constantly for months urged upon the Governor the necessity of employing a sufficient force of competent professional detectives to ferret out their acts and ascertain their identity. I have also urged upon him to have parties whom he has arrested brought before a proper judicial tribunal for examination, and commitment or acquittal. I hope, however, that the course which he has adopted, though it did not meet my entire approval, may result in the disclosure of their crimes, and the utter disruption and obliteration of this bloody and ruthless organization in this State. (3)

A. W. TOURGEE,
Judge Superior Court, 7th District, N. C.

GREENSBORO, Aug. 3, 1870.

[We printed Judge Tourgee's letter precisely as we received it from another source, and no errors were made in our office. We gladly give his letter, however, making the corrections above noted.—EDITOR.]

REMARKS.

1. This statement is made by Tourgee *knowing* that it will make a false impression. He charges all these outrages, (if there have been half the number, which we doubt) upon Ku Klux, by which he intends the public shall be made to believe, they were all committed by white Democrats and Conservatives, whereas, it is well known, that three fourths of the crimes committed in his circuit, were the acts of negroes and Loyal Leaguers.

2. Thirteen murders in the State of North Carolina within two years, two of which at least he admits above, he got as he gets much of his information from lying Loyal Leaguers and was a mistake, does not show such a bad state of morals as exists in the city of New York. The murders would double or quadruple that number committed in the city of New York in two years, many of them as unknown and as mysterious as those charged upon Ku Klux, yet what would be thought of Gov. Hoffman, if he were to declare New York in a state of insurrection, because all the crimes could not be ferretted out?

3. This paragraph indicates some little breaking down, some signs of penitence in Tourgee. But his tears are those of the crocodile. He is at the bottom of much of the crime in his Circuit. James E. Boyd, that very promising young lawyer as the *Standard* has it, stated three months ago to a gentleman in this city, that Tourgee's course as a Judge had contributed largely to the disorders of the Circuit, and he further declared, that if Judge Tourgee would resign his place on the bench and the vacancy were filled by a lawyer of standing and reputation in whom the people had confidence, we should not hear a word about Ku Klux in that Circuit. This opinion, we believe, is very generally entertained by the respectable people of the Circuit.

For the Sentinel.

GREENSBORO', Aug. 12, 1870.

Editor Sentinel—SIR: Will you permit me, through the columns of your journal, to express a small portion of the admiration I entertain for your heroic chief, now held a prisoner by order of that most infamous caricature of a Governor, and would-be Dictator, Holden! From the moment that grand conspiracy was entered into against the liberties of North Carolina, until the minions of an aping despot seized him on the highway, the people had no more willing, zealous nor steady defender than Josiah Turner. To him they owe a debt of gratitude, such as is due to the man who voluntarily sacrifices himself for the public good. Had it not been for his determined, unflinching and untiring exposure and denunciation of the corruption, perfidy and rascality of that most profligate Legislature; had it not been for the manner in which he stripped the official robes off a recreant Governor and laid bare his deformity; had it not been for the defiance he flung into the teeth of arbitrary power, thus encouraging the brave and nerving the timid, who can say that the 4th of August would not have told a different tale, and that our good old State, instead of being redeemed and disenthralled, might not in the subjugated victim of those who conspired against her liberties? It was a crisis in which she needed bold, fearless advocates, and she found one that filled the measure in him. She knows it; she feels the service he has done, she is grateful to him and proud of him. He made her cause his cause; let his cause now be hers.

Turner, the prisoner, honored by the manhood of his State and country; Holden, the despot of a day, condemned and despised by even the minions who did him mock reverence one short week ago. If they could change places such would find a more appropriate sphere. If justice had her own the order of things would be reversed, and he who consigns his fellow citizens to the tender mercies of a brutal Kirk might enjoy the sweets of solitary confinement, while a nobler, a better and a true man would fill the gubernatorial chair which he has disgraced.

All honor to him who nobly does his duty, and everlasting praise to the moral courage and physical pluck and which in the midst of bustling bayonets dare assert the prerogatives of a freeman and the rights of a citizen, regardless of consequences, fearless and undismayed. Of such stuff heroes are made; no common clay, no pliant dirt, no plastic mold such as cowards and slaves are made of.

In his confinement he has the proud consciousness of knowing that thousands of eyes are turned towards him admiringly, and thousands of tongues utter his name to honor it. (Can the miserable tyrant, Holden, say as much?) And when his prison doors are thrown open and he walks out the conqueror of his armies, he will meet with such a reception, such an enthusiastic greeting as only a true and a brave people know how to extend to a true, noble, and a brave defender. Among them who will be there is

For the Sentinel.

AUGUST 12th, 1870.

Mr. Jo. W. Holden, Editor of the Standard:

SIR:—I have a few questions to ask you, and I hope you will answer them in the *Standard*, and the SENTINEL will please copy them:

If I am intimidated by a Radical to vote his way, and do it, can I put the law to him for intimidating me, and make him pay what is required in the enforcement act? If a negro is living on my land, and leaves (without a fuss) because I am a Democrat; can I put the law to him for leaving? If I want to hire a Radical, and he won't work for me, because I am a Democrat; can I put the law to him because he won't work for me? If a Radical asks me which way to vote, and I tell him to vote any way he pleases, and he votes Democratic, and becomes dissatisfied about it, and swears I intimidated him; must I pay that $500, and go in prison too?—"And whereas, on the 26th of May, 1870, a most atrocious murder was committed by disguised men on Neill McLeod and Daniel McLeod, white, of the county of Cumberland, and three others of the family were wounded by these assassins." Why does the Governor say "by these assassins," instead of the "aforesaid Ku Klux Klan," as in the rest of the whereases? Why did you print the picture of a cotton bale on your tickets? Answer the above, and I shall be very much obliged to you.

Yours &c. 6

YOUNG, HEALTHY, VIGOROUS AND CONDUCTED BY A WISE, PRUDENT, AND ECONOMICAL BOARD OF DIRECTORS UPON A

NEW SYSTEM,

devised by its talented and distinguished Actuary CHAS. S. MORGAN, which must make it the leading Company in America, for persons in

MODERATE CIRCUMSTANCES,

and all who appreciate and demand the most UNQUESTIONABLE SECURITY, at rates in most cases, considerably lower than those of the leading Mutual Cash Companies.

The Excelsior issues Policies on all the plans of *Mutual* or *Stock* Companies, extending to policy holders, all their really desirable advantages. Its policies being *non-forfeiting*, the insured are privileged to *live and travel where they please* in any healthy part of the world, they participate in its profits, are allowed 30 days grace for payment of renewal of premium, a cash surrender value of policy, and a privilege which has never been offered by any other Company, that of converting Policies into

ANNUITY BONDS,

after the payment of 5 or more annual premiums.

☞ Hitherto, I have been restricted in the very popular Company which I had the honor to represent to *Stock rates* alone, which most of the *Mutual* and mixed Companies have adopted. This disadvantage, together with the multiplication of many new Companies in this State, who claimed to possess unusual charms, together with the extraordinary attractions presented by the Excelsior induced me to accept the management of that Company, whose plan combines all the popular features of other Companies, represented in this State, without an exception, and the additional privilege of converting policies, which the holder can not afford to keep up, or wishes to discontinue, because of the death of those for whose benefit the policy was secured, for an *Annuity Bond* which provides an income in cash *through life, or for a series of years as preferred.*

Circulars giving full explanations and any other information, will be cheerfully furnished.

The most liberal arrangements will be made with first class solicitors, to push the EXCELSIOR forward in the Old North State, to that position which her low rates and most ample security entitle her to occupy.

LOST.—Run away or lost from the lot of the jail, a red and white cow, with crumpled horns, one of which is unsound in appearance and a yearling of the same color, the property of Sheriff Lee. A liberal reward will be given for their delivery.

On Thursday evening last as the Express train on the Seaboard R. R., bound for Norfolk, was nearing Buckhorn station, one of the brakesmen, a young white man by the name of Thos. Carter, was thrown from the platform between two cars and instantly crushed to pieces. He was in the act of putting on the brake when the chain attached snapped in twain, causing him to fall.

THE JOHNSTON COUNTY RIOT CASE.—The Commissioner, this morning, announced his decision in the Johnston county riot case, examined before him yesterday, holding Henry and Alexander Thain each, to answer at the next term of the U. S. Circuit Court, in the sum of $1,000, and releasing the other parties.

MORE FINE PEACHES.—We are indebted to our young friend, Mr. David Forte, residing 8 miles from Raleigh, for a basket of fine peaches of the kind generally known as the Georgia peach, large, fine, red, luscious fellows they are, that would make one's mouth water to look at them. Mr. Forte has also laid on our table one specimen of the "North Carolina Conservative," a fine luscious yellow cling, weighing 11½ oz., and measuring twelve inches in diameter. Mr. Forte will please accept our thanks for his kind remembrance of us this hot weather, when a nice, *juicy peach is both cooling and refreshing.*

GET UP THE INJUNCTION.—We have reason to believe that Holden will in a few days disband his State troops and send them home. A large sum of money, has already been illegally paid out of the Public Treasury, to sustain this iniquitous outrage upon the people. This must be stopped and the sooner the better. Let the injunction against Holden and the Public Treasurer be issued at once. Scotch the snake and let him die.

FRANK LESLIE'S ILLUSTRATED PAPER.—We have from Mr. Jesse A. Jones, Book Seller, Fayetteville street, Frank Leslie's Illustrated Newspaper, dated August 20th, accompanied by a map on tinted paper, of the seat of War in Europe, in convenient form for framing or posting up for reference. Mr. Jones has a large number of the paper for sale, to each purchaser of which one of the maps is given. It is the best of any of the maps of the seat of war in Europe we have yet seen.

ANOTHER DIABOLICAL OUTRAGE.—We learn that a worthy white woman was seized last night on the outskirts of the city by a negro by the throat and carried into the woods and cruelly violated. The perpetrator of the crime has not yet been identified, but the city authorities are on the alert. Holden and Tourgee would call this another Ku Klux outrage. We hope the villain will be discovered and punished at the end of the law.

COLORED REPUBLICANS.

Though the Democratic Conservatives made a perfect onslaught upon the carpet baggers at the late election, we observe that a large number of colored Republicans have been returned to the next Legislature than in the last. A few of these have been heretofore exceedingly bitter and violent in their support of Radicalism. Led by carpet baggers and other bad men, they have heretofore been strongly partizan. A number, however, of those recently elected are of a different stripe, true friends of the State, and as far as they known their duty, will do it. We hope they will be ready to co-operate with those, whose sole aim shall be to raise the State from her degraded condition and will labor to promote the welfare of all our people without regard to party.

Sound Logic for the Sick.

The invalid has often good reasons to exclaim, "save me from my friends." As a general thing, each of them will have a different medicine to propose, and if he follows all their prescriptions in turn, their well-meant advice may be the death of him. The only sensible course in any case of sickness is to resort promptly to a specific which has stood the test of a long and widely extended public experience, and obtained on solid and sufficient grounds the reputation of a Standard Remedy. This rank among the restoratives of our day belongs of right, and beyond all dispute, to Hostetter's Stomach Bitters. Let those who are taking it at this debilitating season as an invigorant answer for themselves as to its tonic properties. Can any dyspeptic who has ever used it, question its superiority as a stomachic over every other medicine? Can any person of bilious habit, who has ever taken it for liver complaint doubt its efficiency? It is believed among the tens of thousands who are now using, or have heretofore used it as an alterative and corrective, not one can be found who would exchange it for any other preparation in the known world. For intermittent fevers, nervous debility, constipation and stomach, and all complaints arising from indigestion or impoverishment of the blood, it is the only article which can be conscientiously guaranteed, and no one who is thoroughly acquainted with its virtues will allow interested dealers in worthless slops, on which they make a larger profit, to furnish them in the place of the great vegetable restorative.

A BRILLIANT DISCOVERY.—Every man and woman in the land, whose locks have been touched with silver by time, or prematurely whitened has reason to rejoice that PHALON'S VITALIA, or SALVATION FOR THE HAIR, is numbered among the wonder-working products of this age of discovery. It is clear and free from sediment, while the shades of color it imparts are more natural than those produced by any other agent.

From the Cincinnati Enquirer of August 8th:

MORE ABOUT THE VILLAINS GOVERNING NORTH CAROLINA.

We took occasion, a day or two ago, to make a dispatch to the *Gazette*, announcing that Grant had sent additional troops to North Carolina, and that he sustained Holden, the Governor of that State, the subject of some sharp comments. The *Gazette* did not like our mixing it up in the disgraceful business, and takes us to task for our alleged injustice to itself. We assure our cotemporary that we had no idea of making it a point of attack or censure, except so far as it seemed to justify Grant and Holden. Its article of yesterday satisfies us that we did it no injustice whatever. It gives its full sanction to the scoundrelism of Holden, and sustains the President in sending troops to be used by Holden as he sees proper. It also abuses the Democratic press for denouncing Holden and his satraps as unmitigated villains.

What did the *Enquirer* do in the premises? It did not quote a word of testimony from a Democratic source; it was all from a Republican source. We gave prominence to an extract from a letter published in the *Gazette*, and written to it by its well known correspondent, Mr. Boynton. We again reproduce the extract, and invite especial attention to what Mr. Boynton says:

"It seems strange that so little should be known here concerning the real condition of affairs in North Carolina. There is more than a suspicion that but little cause exists for the extraordinary course taken by Governor Holden. One fact, known here to most of the press, has done more than any of the stories from either side on the field of action to throw suspicion upon Holden's movements and create the belief that he has acted only to further the interests of local political factions. And that fact is this: A few weeks before adjournment, Senator Pool came to the reporters' gallery and called out a gentleman he supposed to be connected with the Washington *Chronicle*. He then showed him a North Carolina newspaper in which there was a collection of Ku Klux outrages, murders and robbings, drawn out at great length.—The Senator went on to say, quite confidently, that it was desirable the *Chronicle* should at once begin the publication of this collection, and keep it up until the statements made should be well disseminated in the North. He further explained the need of this, by saying that to carry the State next Fall it would be necessary to use the militia extensively, and if this collection of outrages could be well circulated beforehand, it would justify the step in the eyes of Northern Republicans. Mr. Pool made the mistake of communicating all this to the wrong man. However, he must have ascertained his mistake afterward and remedied it, as the accounts of dire outrage in North Carolina began to appear the second day after this conversation, and in due time the State militia has appeared upon the scene."

That letter was dated July 23, 1870, not so long ago, we are sure, that the *Gazette* should not remember it. It appears from this statement of Mr. Boydton that the publication, at the North, of the collection of Ku Klux outrages, murders and robbings, drawn out at great length, which was to justify Holden in the eyes of Northern Republicans for the outrages they intended to perpetrate to carry the State election. Two days after Holden's emissary, Pool, made his request to the person he supposed was an *attache* of the Washington *Chronicle*, and disclosed the base motives for imposing such monstrous falsehoods on the public, that paper commenced the publication of the manufactured Ku Klux outrages; and then, in due time, the other part of the diabolical programme was produced—the State militia appeared upon the scene. Here was a put up piece of villainy unwittingly disclosed by Pool, the emissary of Holden, and published to the world in the columns of the *Gazette*, as written out by its own correspondent. No Democrat had any hand in getting up that piece of testimony. It first appeared in the New York *Tribune*, and subsequently in the *Gazette*. We used it as we found it in these two Radical journals.

This put up piece of villainy was to be made to appear to Northern Republicans as an honest effort, on the part of Holden, to preserve the public peace and secure a fair election. But Pool let the cat out of the bag. He said that, "to carry the State election next fall, it would be necessary to use the militia extensively; and if this collection of outrages could be well circulated beforehand, it would justify the step in the eyes of Northern Republicans." The base motive was there disclosed for manufacturing and publishing Ku Klux outrages, murders and robberies. It was to deceive the Northern Republicans, and enable Holden & Co. to use military power to carry the State election. *Such is Republican testimony*, and the *Enquirer* has used no other in exposing and denouncing the scoundrelism of Holden, Grant and the Secretary of War.

The *Gazette* (innocent soul!) wants to know why the ENQUIRER don't publish what it calls the statements of JAMES BOYD and others about the atrocious purposes and acts of the Ku-Klux? These pretended statements made their appearance a day or two before the election (which was last Thursday), and there is every reason to believe they were manufactured—gotten up for the occasion—by HOLDEN and his fellow-scoundrels to influence the election. If such villains could manufacture Ku Klux outrages, murders and robberies, and send an emissary into the Northern States to have such outrages, murders and robbings published at length, under the smoke of which they might with impunity terrify the people and carry the election by using military force, would they hesitate, think you, innocent *Gazette*, to manufacture a dozen such statements as that of Boyd? The villains, by order of the Governor, hang citizens by the thumbs and neck to compel them to confess to what would seem to justify them in their outrages; would they hesitate to forge confessions? The original rascality is too enormous to allow any scruples about such minor considerations as getting up bogus confessions. The confession of Pool shows what unscrupulous rascals Holden & Co. are. The fact that such unmitigated villains as Holden and Kirk have not been shot is pretty strong evidence that the Ku-Klux, if they exist, are exceedingly mild-mannered men, and not given to bloody deeds.

ROMANCE IN REAL LIFE.—Joseph M. Millard, a soldier stationed at Willet's Point, was arrested for bigamy on Tuesday. Three years ago he eloped with an heiress, but finding her fortune unavailable, he deserted her, and married a lass of New York, with whom he lived while on furlough, till a short time since, when his first wife made her appearance in full possession of over $20,000. This sum at once restored the rogue's affection for his first wife, who is a beauty, and highly accomplished, as well as very wealthy, and they set up housekeeping near the fort. Their mansion has been the resort of the most fashionable society, for he is a finely educated man, though only a private, and the fashionable circles in Flushing and Long Island are much exercised over the matter. His second wife appeared against him, and his first wife secured able counsel and succeeded in getting the trial postponed.

CHOLERA.

HOW TO CURE IT.

At the commencement of the Diarrhea, which always precedes an attack of the Cholera, take a teaspoonful of the Pain Killer in sugar and water, (hot, if convenient) and then bathe freely the stomach and bowels with the Pain Killer clear. Should the diarrhea or cramps continue, repeat the dose every ten or fifteen minutes until the patient is relieved. In extreme cases, two or more teaspoonfuls may be given at a dose.

The Pain Killer, as an internal remedy, has no equal. In cases of Cholera, Summer Complaints, Dysentery, Asthma, cures in one night by using it internally, and bathing with it freely. Its action is like magic, when externally applied to Old Sores, Burns, Scalds, and Scratches. For Sick Headache and Toothache, don't fail to try it. In short, it is a PAIN KILLER. Directions accompany each bottle.

The Pain Killer is sold by all dealers in Medicines.

Prices, 25 cents, 50 cents and $1 per bottle.

THOS. H. BRIGGS.

PITTSBORO', N. C., May 8th, 1870.

T. H. BRIGGS, Esq.: Dear Sir:—I used the "Utley Cotton Press" I purchased from you last season, and consider it to be the best Press I ever saw. Having packed bales to weigh from five hundred and ninety (590) to six hundred and twelve pounds (612.) I consider it the best and most durable Press I ever saw used, and can cheerfully recommend it for use to the farmers of North Carolina.

Yours truly, C. W. BYNUM.

FRANKLINTON, N. C., April 16th, 1870.

MR. THOMAS H. BRIGGS: Dear Sir:—Yours of 12th instant inquiring as to the merits of the "Utley Cotton Press" in hand and in reply I would say that I have tried other Presses and consider the pressure which the *Utley Press* works cheaper, simpler and more durable than any I have met with.

Yours very respectfully, JAS. H. WILDER.

RIVER LAWN, CUMBERLAND Co., N. C., April 22nd, 1870.

THOS. H. BRIGGS, Esq.: Dear Sir.—In reply to yours of the 13th asking how I was pleased with the Utley Press I used last season, I would say *that it gave entire satisfaction.*

THOS. H BRIGGS, Esq., Raleigh, N. C.: Sir.—I have used "Utley's Cotton Press" for baling hay for some months. It works well and gives entire satisfaction. I regard it as the best Hay Press I have seen.

Respectfully, E. H POUCE.

RELVIDR, N. C., June 18th, 1870.

T. H BRIGGS, Esq., Raleigh, N. C.: Dear Sir:—I used the "Utley Cotton Press" I purchased from you last season. I packed my own crop of cotton also other crops for my neighbors, making in all nine hundred bales. I consider it superior in all respects to any Press I have ever seen and that it is every thing the patentee represents. I packed bales weighing from four hundred to five hundred and ninety-seven pounds.

THE EQUITABLE

HAS BECOME THE LEADING COMPANY OF THE WORLD.

Its New Business (sum assured), for the year 1869, exceeded that of the second company in rank by more than THIRTEEN MILLION DOLLARS.

In 1860 it was the 9th Company in new business for the year; in 1861 it was the 8th; in 1862 and 1863, the 7th; in 1864 and 1865 the 6th; in 1866, the 4th; in 1867, the 3d; in 1868, the 2nd;

In 1869 it was the FIRST.

The insuring public should not allow itself to be deceived with regard to the term "Annual Dividends." Many companies using this expression mean that their dividends are "annual" after they once begin to pay them at all; but they do not begin to pay until the settlement of the third, fourth, or fifth premium.

One hundred Dollars paid in dividends, at the end of *one year*, and each year thereafter, equals FOUR HUNDRED AN. THIRTY SIX DOLLARS paid at the end of FOUR YEARS, interest at six per cent.

Applications for Assurance may be made to any of the Society Agents throughout the country, or to persons or by letter to the General Agents.

Gentlemen of character desirous of forming a connection with the Society as Agents are invited to communicate with its General Agents.

A NEW DISCOVERY!!

PHALON'S

"VITALIA;"

OR,

Salvation for the Hair.

CLEAR AS WATER!
WITHOUT SEDIMENT!!
OPEN TO THE LIGHT!!!

For Restoring to Gray Hair its Original Color.

PHALON'S "VITALIA" differs utterly from all the hair coloring preparations heretofore used. It is limpid, sweet smelling, precipitates no muddy or slimy matter, requires no shaking, imparts no stain to the skin. Hold it to the light and it is clear and cloudless. It leaves no mark on the scalp; yet it reproduces in gray hair the natural color that time or sickness may have bleached out of it.

☞ Phalon's Vitalia ☜

is for one sole purpose, that of reproducing, with absolute certainty, the natural color of the hair. It is not intended as a daily dressing, nor for removing scurf or dandruff; nor for curing baldness; nor for stimulating the growth of the hair.—These objects may be accomplished after the color has been fixed with the Vitalia, by Phalon's Chemical Hair Invigorator.

THE VITALIA is a harmless and unequaled preparation for the reproduction of the original hue of gray hair, and nothing else. This is accomplished in from two to ten applications, according to the depth of shade required. Sold by all druggists.

PHILADELPHIA, March 15th, 1869.

The undersigned, having witnessed the experiments of Messrs. Hale & Co., with their Combination Burning Fluid, take pleasure in commending it to the public. The various tests to which the Fluid was subjected, was in the highest degree satisfactory. We have no hesitation in pronouncing it to be a *safe and brilliant* illuminating agent. Its cheapness added to its other good qualities, should insure its introduction into every family in the country, where Kerosene Oil is used.

POLICIES VALUABLE IN LIFE, AS WELL AS AT DEATH!!

THE BROOKLYN LIFE, IS THE ONLY COMPANY IN AMERICA, WHICH GUARANTEES

DEFINITE CASH SURRENDER VALUES,

IN CASE A POLICY IS FORFEITED FOR NON-PAYMENT OF PREMIUM.

The BROOKLYN LIFE enjoys the highest reputation *for judgment of investment, economy of management, and skill and care in the selection of risks,*—upon which elements of administration the security of a Life Insurance Corporation *depends.*

The laws of New York compel Companies in that State to calculate the Cash value of their Policies, each and every year, *and a certain legal standard of reserve and accumulation must be held by the Companies to meet all their liabilities.*

Insurers in looking around for Companies in which to insure, should carefully seek for this important SAFEGUARD. It will be found in the BROOKLYN LIFE.

The Globe takes no notes; but receives its premiums in cash, and pays its policies in cash without deduction.
